

LR0563 Integrated Management Systems Policy

Our Integrated Management Systems Policy, (IMS Policy) has been established in line with our corporate vision and corporate strategy and underpins the associated goals and initiatives, incorporating the Quality Standard (ISO 9001: 2015), Environmental Standard (ISO 14001: 2015), Health and Safety (ISO 45001: 2018) and IMS (PAS 99: 2012).

- Our commitment is to have a management system that complies with the requirements of ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 and PAS 99: 2012 including relevant legal and customer requirements.
- We aim to continually improve the effectiveness of the Integrated Management System.
 - This is achieved through effective auditing of our procedures and processes.
 - We have regular Management Reviews to monitor and improve the Systems.
- We have established and reviewed our objectives at senior level and cascade objectives to all levels.
- Each person takes responsibility for the compliance to the requirements of the IMS in their work.
 - We promote a safe and healthy working environment at all levels in everything we do
 - We have an obligation to adherence to relevant laws and regulations
 - We only deliver excellent work. The goal is always to do it right first time.
- We encourage all interested parties to understand and conform to the requirements of the IMS and our Policies.
 - We communicate the Jungheinrich principles to all levels internally and appropriate levels outside of our organisation.
