# SHORT-TERM RENTAL

**If you want to move something –  
Simply rent.**

Whether seasonal fluctuations, an unexpected major order or sudden failures: stay flexible and rent only the trucks you need. In this way, you can avoid overcapacities and reduce the amount of capital tied up at once. We have rental trucks in over 600 variants ready and available for immediate use worldwide.

**The advantages to you:**

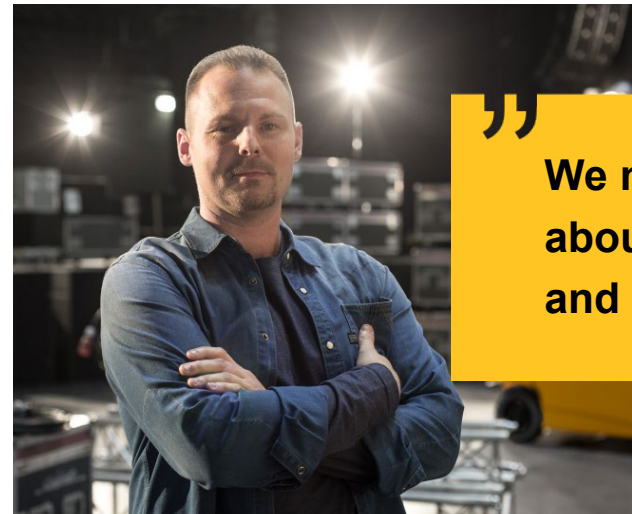

- Quick delivery to rental sites
- Always find the right truck thanks to our large rental fleet
- Our young trucks guarantee maximum efficiency, safety and reliability

# FLEXIBILITY FOR SUCCESS. SIMPLY RENT.

- Maximum level of performance and reliability in the rental fleet
- All the necessary equipment (batteries, chargers, gas tanks)
- Wide range of attachments
- Flexible timeframes, easy adjustable

”  
**We never have to worry about delivery deadlines and availability.**  
”

**WHEN YOU NEED TO GO FAST.  
SIMPLY RENT.**

- The right forklift for all applications
- The best expert advice
- Fast delivery
- Professional instruction after delivery
- Fair prices without any hidden costs

”

**We rent from Jungheinrich  
because we can rely on  
them for everything.**

”
