

**Our 5-Star Used Trucks.  
As Jungheinrich As New.**

***JUNGHEINRICH***

**AS GOOD AS NEW.  
AS GOOD AS JUNGHEINRICH.**

Our answer to used forklift trucks. Our high-end refurbishment process according to the **5-star principle** ensures that each truck is restored to a technically and visually **perfect condition**, fulfilling the highest safety and **sustainability standards**. That is why they count among the best of the market.

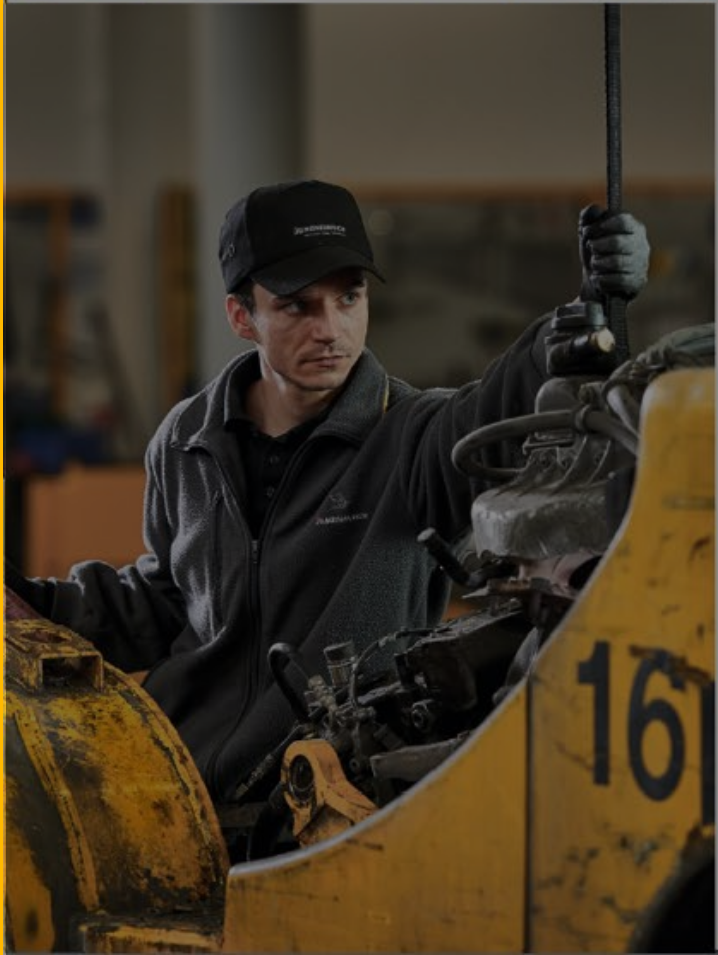

# **OUR 5-STAR PRINCIPLE**

# THE USED EQUIPMENT GROUNDWORK: OUR 5-STAR PRINCIPLE.

Upon exiting the Jungheinrich Used Equipment Centre, our truck excels in every sense of the word. It meets the highest requirements of our 5-star quality standards, 5 stars that **create the groundwork** and determine every step of our refurbishment process. **5 stars you can rely on.**

# OUR REFURBISHMENT

## OUR SECRET: OUR REFURBISHMENT.

The **refurbishment** routine performed on our used trucks corresponds to a consistent and for all truck models identical procedure in **6 separate steps**. During the entire process, each step is subject to strict quality controls. As a result, nothing escapes our attention, which ensures the **highest level of safety and reliability** in every detail. You benefit from **lower follow-up costs** and a higher resale value. In short: **Cost and benefit** of our Refurbished trucks are **unbeatable**.

- **Step 1:** Incoming inspection
- **Step 2:** Dismantling
- **Step 3:** Refurbishment
- **Step 4:** Surface treatment
- **Step 5:** Reassembly
- **Step 6:** Final inspection
