Jungheinrich original consumables

For the smooth operation of your forklift trucks.

**JUNGHEINRICH**

Maximise performance in your warehouse.

With original consumables from Jungheinrich.

Our high-quality and efficient original consumables ensure the smooth long-term operation of your forklift trucks. Benefit from our comprehensive range comprising a wide range of cleaning and care products, oils, lubricating greases and other items for your trucks.

Jungheinrich's original hydraulic and motor oils are tailored to your specific trucks, allowing them to deliver maximum performance while also ensuring the utmost operational safety. Thanks to the well-established Jungheinrich network, we can always guarantee high product availability.

In addition to standard maintenance, we also recommend the use of care and cleaning products to maximise the visual appearance of your warehouse equipment and to create a hygienic working environment.

Service and Support
all from one provider

Service and support all from a single source.

Worldwide standards in service quality, short distances to the customer and Jungheinrich employees who do everything they can to keep your truck fleet running smoothly, leaving you free to concentrate fully on your core business.

Your Jungheinrich original consumables for **maximum performance.**

Efficiency

Maximum performance with the most efficient products.

Keep everything running like clockwork: ensure the optimum functionality of your warehouse equipment through the consistent use of Jungheinrich original consumables which are individually tailored to your trucks.

High-quality hydraulic, motor and transmission oils:

- Enjoy long-term reliability and avoid costly repairs by using Jungheinrich hydraulic and motor oils.

Maintenance and service:

- Noticeable increase in the performance of your trucks by using original equipment.

Cleaning and care:

- Wide range of cleaning and care products for maintaining the outstanding visual appearance of your trucks.

Safety

Best conditions for working safely.

Play it safe and rely on the original: ensure the smooth operation of your Jungheinrich warehouse equipment by using high-quality hydraulic and mineral oils.

Tailor-made consumables:

- Jungheinrich oils and lubricants are specially tailored to your forklift trucks to ensure their reliable operation.

Optimum functionality:

- High-quality Jungheinrich hydraulic oil with additives to improve stick-slip behaviour and to avoid electrostatic charges in the filter.

Reliability

Products as versatile as your business.

Every day, we work tirelessly to further improve our consumables for you and to tailor them as precisely as possible to your Jungheinrich forklift trucks, so that your trucks will never let you down.

Improved mobility:

- Original lubricants from Jungheinrich ensure the utmost mobility and smooth operation of movable parts, thereby maximising the durability and functionality of your trucks.

Quality checks and manufacturer expertise:

- Manufacture of in-house products according to exact specifications, which are subject to strict quality standards.
