The first quarter of 2025 at Jungheinrich: business performance continues to be robust; forecast remains unchanged

- **Incoming orders: 1,386 million euros**
- **Revenue: 1,305 million euros**
- **EBIT: 104.5 million euros**
- **Earnings performance reflects measures to safeguard earnings**
- **Forecast for 2025 remains unchanged**

Hamburg – In a persistently difficult market environment, Jungheinrich AG recorded a robust business development in the first quarter of 2025. Incoming orders for all business fields – new business, short-term rental and used equipment, as well as after-sales services – amounted to 1,386 million euros in the reporting period (previous year: 1,363 million euros). Positive developments in new business and in after-sales services contributed to Group revenue of 1,305 million euros (previous year: 1,274 million euros). The earnings performance in the first quarter of 2025 reflects the continued implementation of measures to safeguard earnings. Earnings before interest and income taxes (EBIT) amounted to 104.5 million euros in the reporting period (previous year: 101.5 million euros). At 8.0 per cent, EBIT return on sales (EBIT ROS) was on a par with the previous year's figure. Earnings before taxes (EBT) reached 97.1 million euros in the first quarter of 2025 (previous year: 95.6 million euros). EBT return on sales (EBT ROS) came to 7.4 per cent (previous year: 7.5 per cent). Profit or loss amounted to 68.9 million euros (previous year: 67.9 million euros). Correspondingly, earnings per preferred share were 0.69 euros (previous year: 0.68 euros). The forecast for the full year, published in the 2024 annual report, remains unchanged.

Dr Volker Hues, Member of the Board of Management for Finance at Jungheinrich AG: "Despite a subdued economy and high geopolitical risks, Jungheinrich's business

development was robust in the first three months. Incoming orders and revenue developed in line with our expectations.”
