- 7.1. The Customer shall make the payment within the credit terms specified in the Contractor's offer from the date of the Contractor's invoice. The Customer hereby consents to the Contractor conducting credit or trade checks through any credit agency during the term of this Agreement. The Contractor may, at its sole discretion and based on the Customer's credit report from a credit agency, set, vary or withdraw the Customer's credit limit at any time. Unless otherwise provided in the Contractor's offer, if the Customer fails to make any payment on the due date or if the Customer's outstanding balance (including undue invoiced amounts) exceeds or would exceed its credit limit if the Contractor proceeds with the supply, the Contractor may, without prejudice to any other right or remedy available to it, be entitled to:
- (a) Cancel the Contract or suspend any further works or services to the Customer and the Customer agrees that no further claim shall be made against the Contractor arising from these actions;
 - (b) Appropriate any payment made by the Customer to such services (or Equipment supplied or sold under any other contract between the Contractor and the Customer) as the Contractor may consider fit (notwithstanding any purported appropriation by the Customer); and
 - (c) Charge the Contractor interest (before and after any judgment) on the amount unpaid, at the rate of 1.5% per month of the unpaid portion of the Contract price, until payment in full is made.
- 7.2. Contractor reserves the right, among other remedies, either to terminate the Contract or to suspend further services under it in the event and for such time as Customer fails to pay for any goods when payment is due.
- 7.3. Where the agreed maximum annual working hours for the use of the Equipment provided for and set out in the Contractor's offer is exceeded, the Customer shall pay for all such excess hours based on the following rate:
- Excess Hour(s) X $\frac{\text{Yearly Rate}}{\text{Annual Working Hours}}$

8. Committed service response lead time

- 8.1. Response and cut off time shall be stated in the Contractor's offer. Priority based dispatch system according to severity/urgency of breakdown will be assessed and response time for urgent cases will be faster as agreed by both parties.
- 8.2. All repairs will have to be attended within 2 working days upon breakdown call being placed. Unless if breakdown required extended repair, then the repair will have to be completed within a period of no more than 7 working days. (Repairs due to accidents, damages due mishandling, misused or negligence on the machine are not falling under this scope)
- 8.3. Contractor is entitled to invoice separately for the costs of wasted travel time or unreasonable waiting times on site, according to the current after sales service price list.
- 8.4. Should the Customer agree on performance times outside of normal working hours, the Customer shall bear the additional costs.
- 8.5. In the event of unforeseen operational disabilities, such as strikes, work absences due to the short-term illness of specialist employees, delay in delivery or performance by suppliers, government intervention, the action of force majeure, in the event of industrial disputes as well as the occurrence of circumstances for which Contractor is not responsible, the period of performance (response times, appointment) shall be extended by a reasonable time; this shall also apply if such circumstances occur after Contractor is in default.

9. Liability and risk

- 9.1. Preventative maintenance servicing does not eliminate the possibility of Equipment failures occurring, nor does scheduled servicing by the Contractor substitute regular maintenance by the Customer. The maintenance tasks, for which the Customer is responsible, can be found in the relevant Equipment user manual or maintenance checklist.
- 9.2. This Contract does not constitute a warranty – either expressed or implied. The Contractor will not be liable to the Customer for any indirect, special, consequential, incidental or other damages even if such damages are foreseeable or not (whether for loss of profit or otherwise), loss, cost, expenses or other claims that arise out of or in connection with preventive maintenance servicing, repairs, breakdowns or use of the Equipment by the Customer during and after the period of this Contract. The Contractor's entire liability in respect of the services and/or parts supplied under the Contract shall in any case be limited to the total value of the Contract in respect of which damages are claimed.

10. Termination Clause

- 10.1. Preventive Maintenance Agreements may be terminated by either party prior to expiry of its initial terms or any renewal thereof by providing written notice 30 days to the other party, except in the case of an insolvency event as described in Clause 10.3.
- 10.2. Under Full Service agreement and further agreement types, if the Customer elects to terminate the Contract for whatever reason and / or before the expiration of the Contract and / or during the Contract period, the Customer shall forthwith upon written demand by the Contractor pay to the Contractor the following amount:
- (a) Agreement/Contract amount due or owing, if any, at the time of such termination,
 - (b) 75% of the residual Contract value if terminated.

(c) Any other outstanding sums due & unpaid at time of termination.

- 10.3. Notwithstanding Clause 10.1, if the Customer undergoes an insolvency event, including but not limited to liquidation, receivership, or failure to pay debts, the Contractor may terminate this Contract immediately with written notice. The Customer remains liable for all outstanding payments for services rendered up to the termination date, and the Contractor may seek compensation for any resulting damages or losses, without prejudice to any other rights or remedies available under this Contract, at law, or in equity.

11. Entire Agreement

- 11.1. The entire agreement between the parties with respect to the servicing and/or repair of the Equipment is contained in the Contract and all previous understandings, agreements, representations or warranties, expressed or implied which are not expressly contained in the Contract are superseded.
- 11.2. Any purported terms and conditions made referenced to or incorporated or alluded to within any purchase order or other document issued by the Customer relating to this Contract or the servicing and/or repair of the Equipment shall have no effect and shall not bind the Contractor.

12. Governing Laws

The Contract shall be governed by and construed in accordance with the laws of the Republic of Singapore ("Law"), excluding any conflict of laws principle that would refer to the laws of another jurisdiction.

13. Arbitration

Any dispute arising out of or in connection with the Contract or these Terms & Conditions or any matters described hereunder, including any question regarding its existence, validity, interpretation or termination, whether or not during the term of this Contract or thereafter and whether before or after any termination of the Contract, shall be referred to and finally resolved by arbitration in Singapore in accordance with the Arbitration Rules of the Singapore International Arbitration Centre (the "SIAC Rules") for the time being in force, which rules are deemed to be incorporated by reference to this clause. The tribunal shall consist of a sole arbitrator and the language of the arbitration shall be in English.

14. Taxes

Service Rates are exclusive of Goods and Services Tax, and any other prevailing tax ("Taxes") now or hereafter imposed. Taxes shall be charged separately and paid by the Customer upon receipt of a valid tax invoice, in accordance with applicable Law. Failure to pay shall constitute a material breach, and the Customer shall indemnify the Contractor against all resulting liabilities.

15. Telematics Data (if applicable)

Jungheinrich trucks may be equipped with telematics box which collects, generates and processes operational and environmental data, including metadata, during vehicle operation ("Telematics Data"). To the extent such Telematics Data does not constitute Personal Data, the Customer grants Jungheinrich, its affiliates, and authorised sub-processors the right to process such Telematics Data for safety, maintenance, support, quality control, product and service improvement.

16. Fleet Management Solutions (if applicable)

- 16.1 If the Customer subscribes to Jungheinrich's Fleet Management Solutions ("FMS"), they are required to enter into a Data Processing Agreement ("DPA"). Access is provided on a software-as-a-service basis. The Customer authorises Jungheinrich to process Personal Data of its employees and authorised users in the course of providing the FMS services. This processing is governed by the DPA [<https://tinyurl.com/3v3kub9s>], which is incorporated into these Terms and Conditions. The Customer acknowledges that it has reviewed and understood the DPA and expressly agrees to be bound by its terms. The Customer further expressly consents to the collection, use, processing, storage, and disclosure of Personal Data by Jungheinrich in accordance with these Terms and Conditions and the DPA. In the event of any conflict relating to data protection matters, the DPA shall prevail.

- 16.2 The Customer is solely responsible for ensuring the lawfulness of any Personal Data processed in connection with the FMS, including obtaining all necessary consents or relying on other valid legal bases under the Personal Data Protection Act 2012, and implementing appropriate measures in its internal relationships with employees and authorised users. The Customer warrants and confirms that any Personal Data provided to Jungheinrich has been collected lawfully and that all required consents (where applicable) are informed, voluntary, and validly obtained prior to such provision. The Customer shall indemnify and hold Jungheinrich, its affiliate and sub-processors harmless against claims or penalties arising from the Customer's breach of data protection obligations or misuse of the FMS.

17. No Re-Export to Russia Clause

The Customer shall not directly or indirectly sell, export or re-export any Jungheinrich products to the Russian Federation or for use in the Russian Federation. The Customer shall maintain an appropriate monitoring mechanism and ensure all downstream parties fully comply with this clause. Any breach shall entitle Jungheinrich to terminate the Contract by written notice and to claim damages and liquidated damages of 30% of the total Contract value or the price of the exported Jungheinrich product whichever is higher. The Customer shall promptly report any irregularities or activities that may undermine this clause and provide the requested compliance information within two weeks of Jungheinrich's request.
