

# When you want to get things moving. Simply rent.

Jungheinrich Rental  
Rent it. Move it. Done.

 **JUNGHEINRICH**

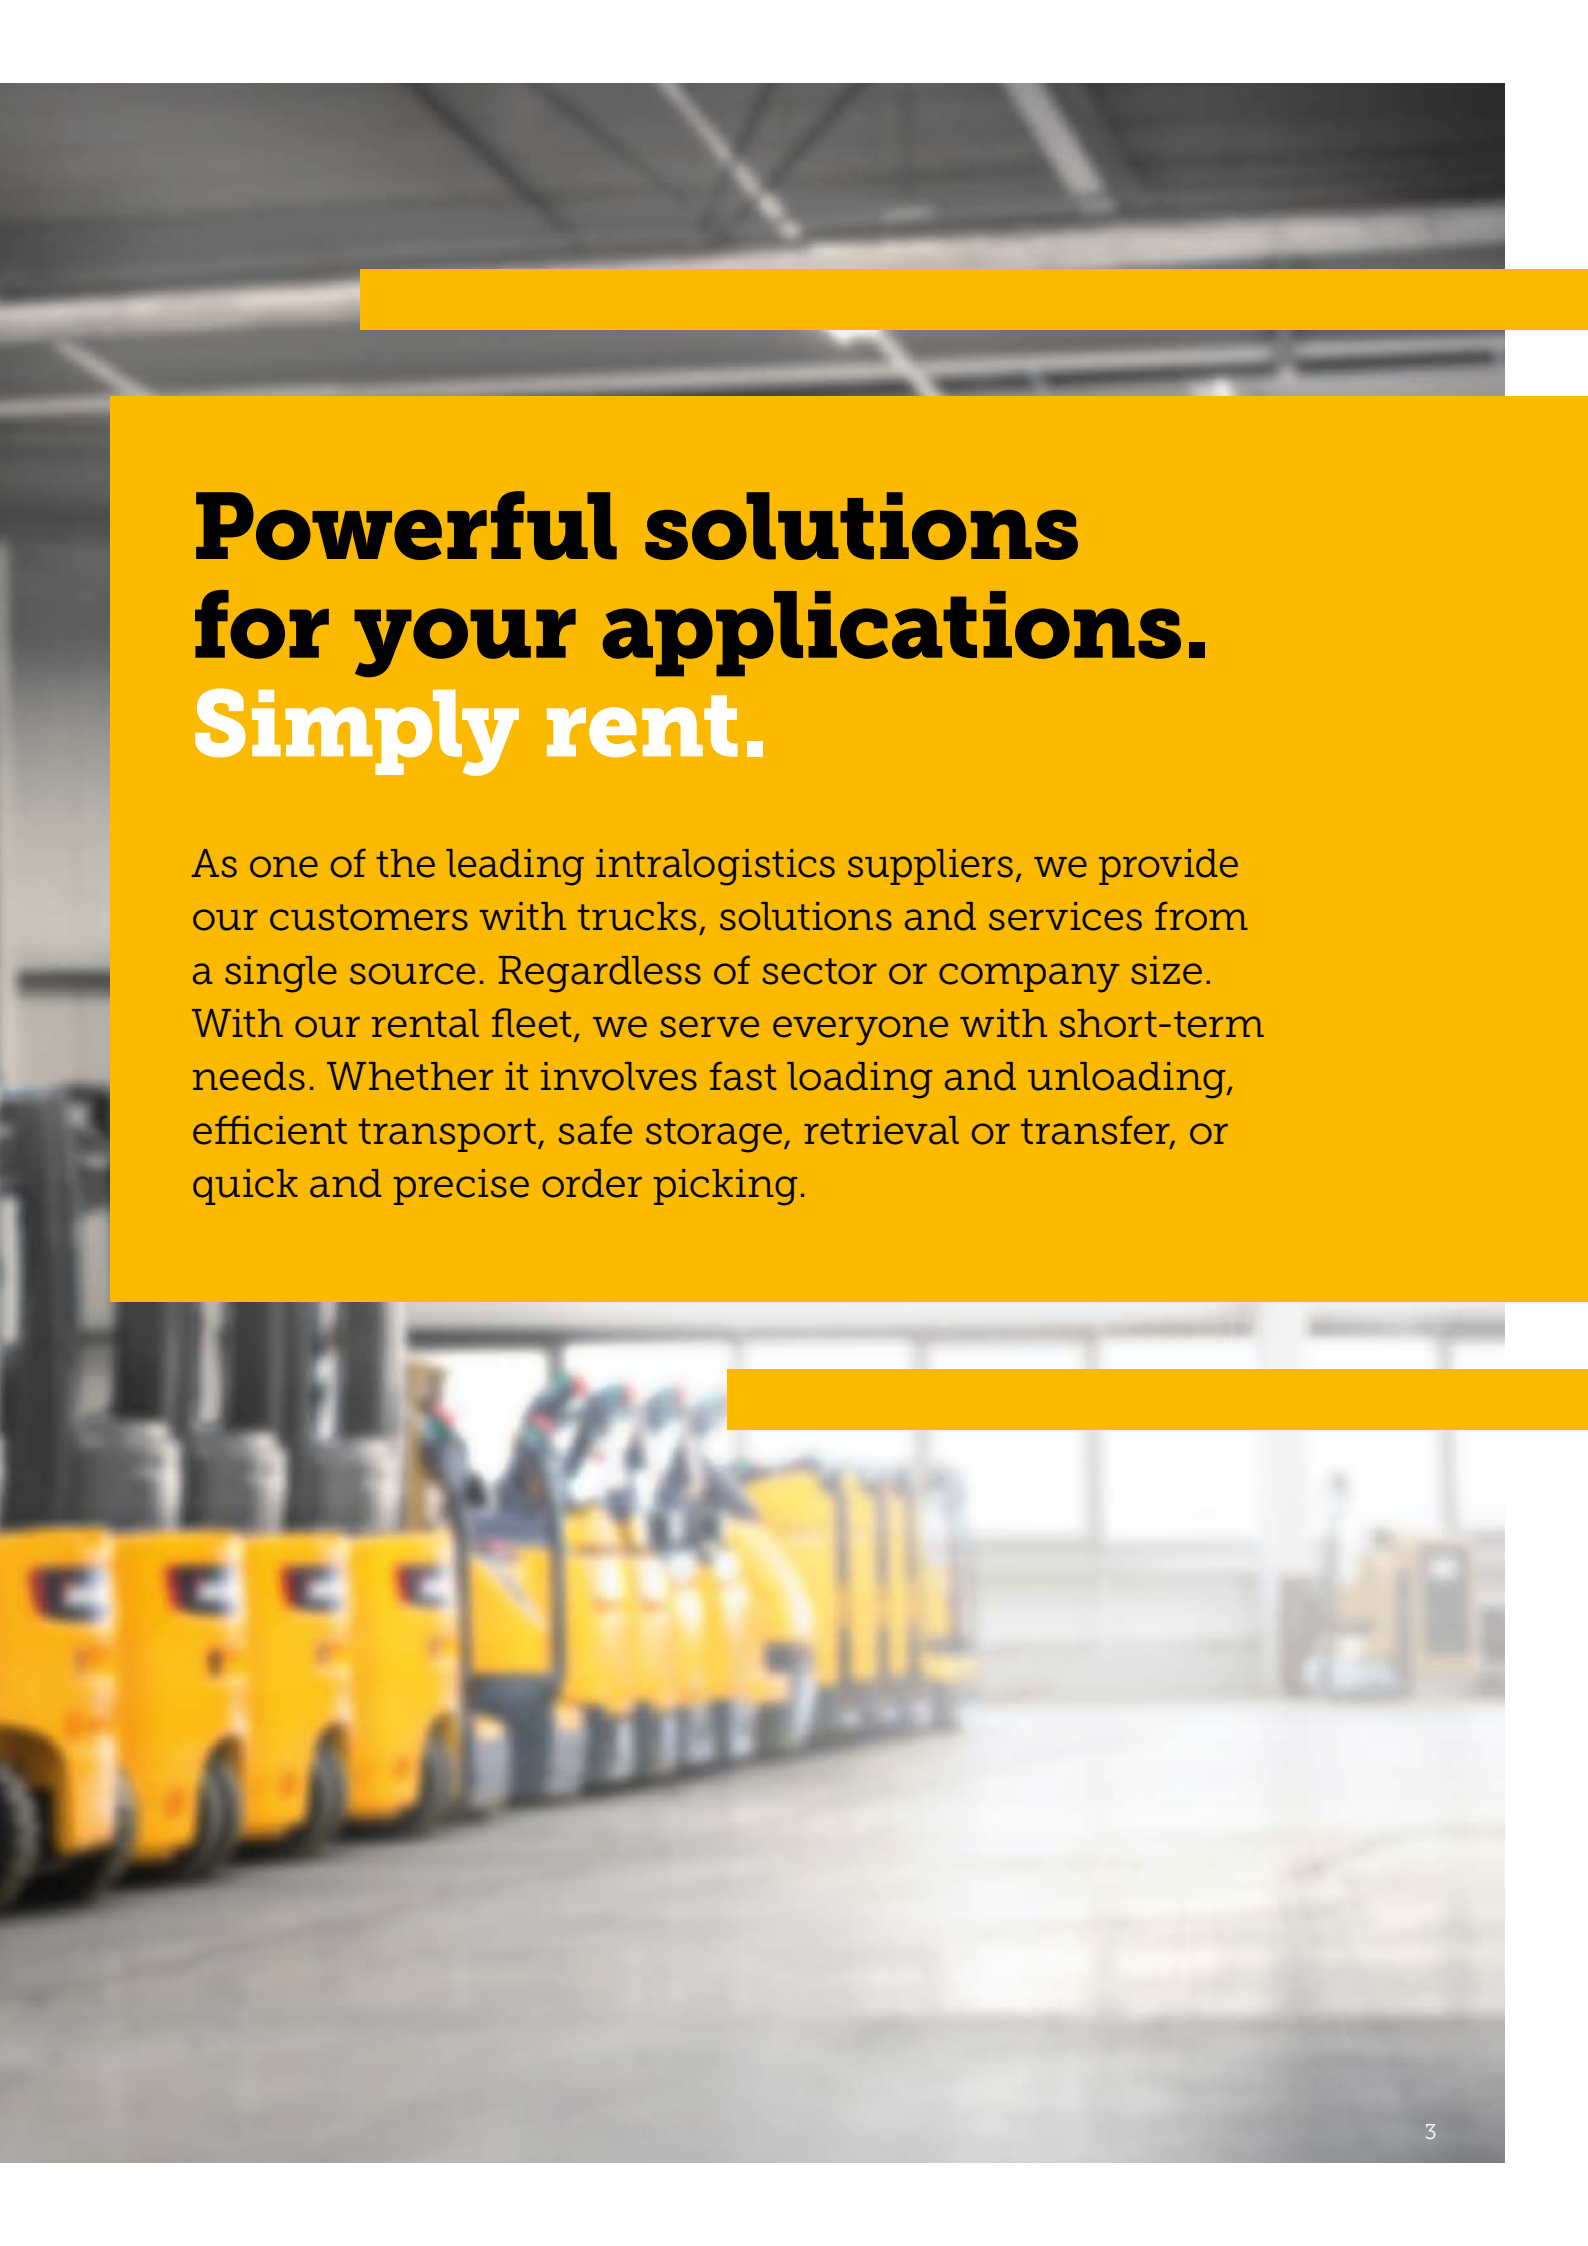

”

The best compliment?  
Satisfied customers who  
keep returning.

A row of yellow forklifts parked in a warehouse. The forklifts are lined up in a perspective view, receding into the distance. The background shows the industrial structure of the warehouse with high ceilings and structural beams. The lighting is bright, typical of an indoor industrial space.

# **Powerful solutions for your applications. Simply rent.**

As one of the leading intralogistics suppliers, we provide our customers with trucks, solutions and services from a single source. Regardless of sector or company size. With our rental fleet, we serve everyone with short-term needs. Whether it involves fast loading and unloading, efficient transport, safe storage, retrieval or transfer, or quick and precise order picking.

# When you need to move fast. Simply rent.

Is your business in season? Or the big open-air event getting closer? Do you have a two-month project? Or are you working in different locations? Whenever there is an additional or temporary need for transport, our rental trucks are the best choice. For a day, a month or a year – Jungheinrich Rental is the partner you can rely on when you need a forklift or pallet truck at short notice.

## **No sooner ordered than delivered**

Speed is our strength. We understand that trucks are often urgently needed for short-term operations. Our central organisation with a hot-line and permanent online advice, an experienced team as well as a vast truck selection ensure maximum availability. From the moment of your order, we make sure that the trucks are on their way to you in no time.

## **Wherever you are**

With more than 150 locations, Jungheinrich has one of the largest rental networks for industrial trucks worldwide. For you, this means competent partners and reliable support on all continents. You can rest assured: Whatever challenges you may face and wherever they may present themselves, you get the truck you need, at the right time and in the right place.

”

We rent from Jungheinrich because we can rely on them for everything.

”

**Always the  
right truck.  
Simply rent.**

”

**Rotary device and  
sideshifter, Jungheinrich  
thought of everything!**

”

Whether tough outdoor use or classic stacking in the warehouse; whether pallet truck, order picker or narrow aisle truck; whether you need to move a few hundredweight or several tons – at Jungheinrich Rental you always get the right truck.

### **Exactly what you need**

Do you have a particular rental application? No problem, because we have around 60,000 trucks comprising more than 600 models worldwide in our rental fleet – usually less than a year old and therefore state-of-the-art. Also, many of our special-build trucks can cover unusual requirements. Do you need a work platform, a telescopic or off-road forklift? We can supply all of these with the help of our specialised cooperation partners. Thus, you get everything from a single source.

### **Fit for every application**

Naturally, we also provide the right accessories: from replacement batteries and chargers to fuel. So you can accomplish your tasks smoothly. Choose from our wide range of attachments to configure your rental trucks according to your individual requirements. Whether you need fork extensions for fast truck loading and unloading, a sideshift for convenient stacking and retrieval or a bale clamp or tilting device – we always adapt to your wishes.

”

Great advice and professional instructions have saved us a lot of time and money.

”

## **Years of experience included.** **Simply rent.**

Our rental offers start with expert advice. Ensuring that you master your tasks in the best way. Reliable deployment planning and delivery as well as professional instruction on site are also part of the package. And all that at fair rates that include all costs.

### **You can count on our expertise**

The team of experts at Jungheinrich Rental knows what is best for your rental. Let us advise you so that you benefit from the many years of experience of one of the largest manufacturers and renters of forklift trucks. On site, our specialists ensure that your driver receives a detailed briefing. So that he can do his job with maximum efficiency.

### **No hidden costs**

Our rental rates include all costs for service and use – on request also with machine damage insurance. This reduces the economic effects of impact damage to a minimum.

### **Use our organisation**

With our international presence, we can guarantee the highest availability – service included. More than 4,800 in-house service engineers ensure that your business can operate around the globe.

“  
We didn't have to worry  
about the trucks.  
They were already there.  
”

# **Flexibility is the key to success. Simply rent.**

We don't tie you down. We adapt fully to your needs. This applies to the rental periods as well as any truck changes you may require. And if you wish to use our forklifts and pallet trucks for longer periods or permanently, we can make you various attractive offers.

## **All the flexibility you need**

Do you need your rental trucks in a few days or weeks? We can sort it. Do you need the truck earlier or not as long as you thought? At Jungheinrich Rental, this really is not a problem – we deliver from one day to the next and you can return your rental truck at any time. We can even arrange to change a truck or an entire fleet during the rental period.

## **Find out about our alternatives**

Would you like to use our forklift and pallet trucks over a long term? We can offer you long-term rental models to which you can add various services. Or would you like to add a truck to your own stock? Talk to us. We are happy to advise you on the various options, including financing.

“ We finished sooner than anticipated and were able to return the truck without any problem. ”
