

Ameise CBD 20

Electric pedestrian pallet truck (2,000 kg)

Affordable pallet trucks, delivering reliable and cost-effective handling.

The solution for applications across many industries.

The CBD 20 is an entry-level model of the 2 ton electric pedestrian pallet trucks. Intended for easy applications in the internal material flow and thanks to its robust design, it is suited for operations with loads up to 2 tons. The maintenance-free battery in combination with an on-board charger as part of the standard version ensure particularly easy handling. In addition, the maintenance-free AC motor ensures efficient operation.

All Ameise products are designed to be easy to operate and maintain. The use of qualitative, robust components help contribute to reliable operation and lower wear and tear.

Your benefits at a glance

- Flexible use is guaranteed by the gel battery in conjunction with an onboard charger.
- The maintenance-free AC motor ensures efficient operation.
- Cost-effective product matching requirements of single-shift applications with heavier loads.

Your Ameise truck for maximum customer benefit.

Affordable

Good performance at a lower price.

- Compact structure, maintenance-free battery and AC drive motor give a low cost of ownership.
- Battery and components are well protected by the steel cover, avoiding damage and repair.

Reliable

Quality robust components that you can trust.

- The truck has two sprung support rollers installed sideways next to the drive wheel, which increases the stability of the truck and reduces the risk of transport damage.
- Flexible use is guaranteed by the gel battery in conjunction with an on-board charger. The battery does not need to be topped up with water.
- The drive wheel and tandem fork rollers are made of sturdy polyurethane and offer high-quality, comfortable and quiet driving plus maximum capacity and a long service life.

Comfortable

Designed for operator comfort.

- LCD display showing battery charging indicator, hourmeter and error code.
- Tandem load wheels showing special designed fork frame for better stability and easier pallet in.
- Tiller arm optimally adapted to the ergonomic needs of the operator.
- Clear color coding and buttons with wearresistant icons ensure intuitive operation.

Overview

Always the best choice.

Name	Load capacity/load	Travel speed	Aisle width (pallet 800x1200 length)	Lift speed unladen
CBD 20 (550mm)	2.000 kg	4 km/h	2.080 mm	0.03 m/s
CBD 20 (685mm)	2.000 kg	4 km/h	2.080 mm	0.03 m/s
